“ I’m proud to support Kenny Smith for State Senate!
As a lifelong resident and father of three, I believe it is critical that we have a State Senator who will represent the interests of our area and not the interests of Tulsa, Oklahoma City, and the out-of-state lobbyists. Kenny Smith will bring his work ethic to the State Capitol. His decisions will be based on the Bible, the Constitution, and improving the lives of the people of District Four.

Join me June 16th in voting for Kenny Smith for State Senate District 4. ”

★ KENNY SMITH IS DOING SOMETHING EXCEPTIONAL ★

Running for State Senate without taking lobbyist or lobbyist PAC money.

That means Kenny Smith will be free to represent District 4 and our values — not the special interests.

★ FREE TO REPRESENT DISTRICT 4

Most office holders rely on thousands of dollars in lobbyist and lobbyist PAC spending. Kenny Smith is different. By refusing that money, Kenny will be free to represent the people of District 4 — not Tulsa, Oklahoma City, or the out-of-state lobbyists who so often dominate the Capitol.

★ RESPONSIBLE GOVERNMENT — NOT CORPORATE GIVEAWAYS

Government should not pick winners and losers through corporate handouts. Kenny Smith opposes corporate welfare and will fight to lower utility costs, cut state waste, and use the savings to reduce property taxes. In contrast, the incumbent backed the \$218 million green-energy giveaway to an Italian corporation and voted for SB 998, allowing utilities to charge customers in advance for construction projects.

★ A FULL-TIME VOICE FOR DISTRICT 4

After a lifetime of work as a builder and minister, Kenny Smith is ready to serve full-time in the Senate. District 4 deserves consistent, full-time representation. The incumbent missed 219 votes in 2025 after taking a second job in the National Guard — including important votes such as the massive giveaway to a United Arab Emirates corporation.

★ RAISING THE STANDARD — REAL REPUBLICAN REPRESENTATION

Kenny Smith will vote consistently with conservative principles before and after Election Day. He believes in the Republican brand and will not betray it. According to *OKGrassroots.com*'s Republican Platform Scorecard, the incumbent voted against the Republican platform 52% of the time. See *OKGrassroots.com* for more.
