

★ RETURN CONSERVATIVE LEADERSHIP TO THE STATE SENATE! ★

Kenny Smith is
doing something
different.

Kenny Smith is doing something different. He aims to be one of the rare state officials who holds office without taking a single dime from lobbyists.

The retired builder has been traveling across eastern Oklahoma — where it matters most — knocking on doors to speak directly with local voters.

He isn't a career politician, and **he isn't accepting money from the lobbyists** who have filled the incumbent senator's campaign coffers. Instead, he's refusing it outright and earning the vote the right way — by working for it — asking for one simple thing: return our Senate seat to conservative representation that reflects the true character of our district.

A large campaign logo for Kenny Smith. The logo is shield-shaped with a red and white border. At the top, it says "Kenny" in white on a black background, flanked by stars. Below that, "SMITH" is written in large, bold, white letters with a black outline. Underneath, a red banner says "FOR SENATE DISTRICT 4" with stars on either side. Below the banner, the words "FAITH", "FAMILY", and "FREEDOM" are listed in white, each flanked by stars. At the bottom, a yellow banner with a black border says "NO LOBBYIST MONEY" with a crossed-out dollar sign icon to the left. Below that, in a smaller font, it says "Your True Conservative Republican". The logo is set against a background of an American flag. To the right of the logo is a full-length portrait of Kenny Smith, a man with glasses wearing a grey sweater over a collared shirt.

★ KENNY SMITH vs. THE INCUMBENT ★

★ RESPONSIBLE GOVERNMENT vs. CORPORATE GIVEAWAYS

- ✓ Government should not pick winners and losers through corporate handouts. Kenny Smith opposes corporate welfare and will fight to lower utility costs, cut state waste, and use the savings to reduce property taxes. In contrast, the incumbent backed the \$218 million green-energy giveaway to an Italian corporation and voted for SB 998, allowing utilities to charge customers in advance for construction projects — shifting financial risk onto ratepayers as the bills rise with no end in sight.

★ A FULL-TIME VOICE FOR DISTRICT 4

- ✓ After a lifetime of work as a builder and minister, Kenny Smith is ready to serve full-time — giving Senate District 4 the consistent, full-time representation it deserves. The incumbent missed 219 votes in 2025, after he took on a second job in the national guard. He missed such important votes as the massive giveaway to a United Arab Emirates corporation. He should have been there to vote no!

★ RAISING THE STANDARD REAL REPUBLICAN REPRESENTATION

- ✓ Kenny Smith will vote consistently with conservative principles — before and after Election Day. He believes in the Republican brand, and he will not betray it. The leading Oklahoma grassroots organization, headed up by the Oklahoma Republican Party Vice Chairman, found that the incumbent voted against the Republican platform 52% of the time.
